# Milbee's Superior Dahlias

**New for 1937**

**Our own outstanding Seeding from three to five years old.**

## **Milbee's Soldiers Bonus—(ID)**

Light Chocolate. Wonderful plant 3½ feet to 4 feet high. Bloom grown 16½x11 inches. Quotation of R. G. Huey, Flemmingsburg, Ky., "Head and shoulders over any seedling I grew in 1935 and I grew practically all of them." Plants only \$12.50 net.

## **Milbee's Masterpiece—(ID)**

Very large, perfect yellow. Wonderful stems and blooms facing. At Chicago was judged a California Idol, although I have never grown or had a plant of California Idol in my garden. Seed from Mr. Ben Pfluger, Rainbow Gardens, California. The best yellow to date. Plants only \$12.50.

## **Milbee's Lavender—(FD)**

A beautiful long stemmed, large bloom. Perfect stems. Competition for Wenoka. Plants only \$10.00.

## **Milbee's Perfection—(ID to SC)**

Very large blooms at proper right angle. Light yellow with pink or pale lavender reverse. Petals curl making a beautiful color combination. Plants only \$10.00.

## **Milbee's Beauty—(ID)**

Yellow, striped white. Some blooms have more white. A dandy Bi-color. Free bloomer. 7 to 10 inches bloom. Plants \$5.00.

## **Milbee's Autumn Miniature—(ID)**

A beautiful commercial 4 to 6 inches. Blended autumn shades. Very free bloomer. Wonderful plant 3 inches. Plants \$4.00.

## **Milbee's Red Miniature—(FD)**

Commercial size. Larger than Glorius, same formations. A free bloomer. Good keeper. Plants \$4.00.

These seedlings are my first to market having grown over 20,000 and selecting these few, outstanding in every way. Good free growers, insect resisting, need no spraying and this past season proved they could stand drouth and heat. They are all from three to six years old. If you are going after ribbons, cups, and sweepstakes you will need these outstanding Dahlias for competition. I still have a Pink S. C. a Yellow Frau O'Bracht and White Frau O'Bracht which will be ready for 1938.
